Subject: McKesson AWP Settlement

As a value-added service we are taking this opportunity to inform you of a Third Party Payor (TPP) Settlement related to the "McKesson Proposed Settlement". You are a member of the Settlement Class if you are a TPP that reimbursed for prescription drugs based upon BBAWP published by First Data Bank (FDB) or the AWP published by Medi-Span. During this time frame, 4D utilized the AWP prices published by FDB.

Due to the purchase date time frame within the settlement, August 1, 2001 to March 15, 2005 4D is unable to assist our clients with any data files. Further information regarding the McKesson Settlement is available at www.mckessonawpsettlement.com/TPPclass.htm

If you have any additional questions, please do not hesitate to contact Jeff Polter or myself.
